

residential ESS project financing options in Guernsey 2026

Are Guernsey's infrastructure projects 'essential' and 'must continue'? Guernsey's top political committee says all approved infrastructure projects are 'essential' and 'must continue', despite the States of Guernsey being short of £62m to pay for them. Funding currently available for those projects is £357m while the expected cost is £419m. How can Guernsey's Development & Planning Authority help deliver new homes? Guernsey's Development & Planning Authority must be enabled to help deliver new homes as quickly as possible. We support: Expanding the use of 'permissions-in-principle' to ensure developers know sooner if a project is feasible. What can Guernsey do about homelessness? Development & Planning Authority. Guernsey is facing a homelessness crisis, with a shortage of emergency housing and a lack of clear pathways out of homelessness. We are committed to ending homelessness. We support: Partnering with local charities. Making housing a statutory right. Providing emergency housing. What is Guernsey Government's responsibility? It is government's responsibility to ensure that publicly owned assets are managed to deliver the best for islanders. To achieve this we support: Commercialising Guernsey Water, Guernsey Ports, and States Works to bring them in line with Guernsey Post and Guernsey Electricity. Should Guernsey's tax and social security system be redesigned? Guernsey's tax and social security contribution systems must be redesigned to make them fairer for all islanders. Our future depends on more young people contributing to our island by remaining in, returning, or moving to Guernsey and our tax system must encourage this. We support: Does Guernsey need a skills strategy? Guernsey needs a clear Skills Strategy as competition grows and as our economy stagnates. Our people are our most important resource, and we must ensure they are highly skilled and do not face barriers due to a lack of training. The Skills Strategy must complement our economy and education system, and has to be simple, flexible, and actively used. Guernsey Housing Plan The full Guernsey Housing Plan is available in the downloads section and includes research into Guernsey's housing position, further explanation of the actions and a timetable for delivery. Strategic Delivery Framework Chapter 6 identifies a series of elements which need to be further considered, and makes recommendations regarding a potential delivery entity, financing, meanwhile uses and early Deputies seek to fill gap in 'hot housing market' The plan has the unanimous backing of ESS members and has been developed with the Guernsey Housing Association. ESS president Peter Roffey said it would fill a hole in Guernsey States projects 'must continue' despite Guernsey's top political committee says all approved infrastructure projects are 'essential' and 'must continue', despite the States
